Welcome Habitat Applicant:

The first step in the journey filled with hope and promise of better housing through Habitat for Humanity homeownership is completing the Application for Housing and submitting the list of items below.

In order for your application to be processed, you must fill it out completely and truthfully and include all the requested documents. Then call or email for an appointment to submit the information.

Item Checklist:

- Habitat for Humanity Application for Housing
 - W-2 form or your 1040 income tax return from the previous year
 - Current paystub
 - Information on any other type of income, for example SSI, TANF, child support, etc.
 - Proof of Insurance (if you own or lease a motor vehicle)
- Also, please include ONE of the following items:**
- Letter from your utility company showing that you are up-to-date on your account. *(We can not sell a Habitat home to an applicant that is past due on utilities. The Utility company will not connect to a customer that is behind in their payments.)*
 - Letter from your current landlord, or phone or internet company, or your auto insurance company indicating your payment history.

Habitat for Humanity of Madison County has been building homes in the county for over 30 years and is thrilled to have provided over 60 families with low cost, affordable housing. Thank you for your interest and willingness to partner with Habitat for Humanity for homeownership.
