HABITAT HAPPENINGS
OCTOBER 2026

FROM THE DESK OF JAN MILLER, EXECUTIVE DIRECTOR

It has been a busy season of building at Habitat! We are currently working on two homes—one that will be completed in early winter and another that will be ready for a homeowner in spring 2027.

Our Core Crew of committed volunteers works tirelessly throughout the year to build these homes. Over the past three months, they have been joined by several incredible build teams, including corporate and Women Build groups. Working side by side with the Core Crew, these teams are helping make homeownership a reality for the families who will live in these homes.

This year's teams include First Merchants, Harrah's Hoosier Park, Tri Kappa, Stone Dry, and Ivy Tech. Many thanks to these teams, as well as Chick-fil-A and Little Caesars, for providing lunch for our volunteers!

You can also be part of building for the future. To learn more about volunteering, contact Tina at volunteer@habitatmadison.org.
